

## AN ODE TO 'SHORT & SWEET'

By Colin Kemplen

Now that it's over, what'll we do?  
No more **'Short & Sweet'**  
Gone is the necessity to learn your lines  
Just enjoy the after show wines  
You're all tremendous, actors superb  
You knocked me off my feet  
I am so sad now, a little bit mad now  
No more **'Short & Sweet'**

**'Budget Airlines'** gone to the wall  
Ended up down south  
**Travel Agent Stanley** did a similar thing  
Poor old bugger can't even sing!  
And when my mower blade is so weak  
Would you **Bruise my Cheek?**  
I am so sad now, a little bit mad now  
No more **'Short & Sweet'**

Haven't seen **Marty**, he's in a hole,  
I think they had a **Wake**  
Could have been a **Spider** bite that did him in  
Even too much insulin  
**Onset of Murder** killed off some more  
Sounds of **Stampede** feet  
I am so sad now, a little bit mad now  
No more **'Short & Sweet'**
