Business Health and Safety Audit

Do you feel that your organisation is compliant with the new H&S legislation?

- Do you know what is required to fulfil your legal obligations?
- What do you currently have in place? ie hazard control plan
- Is your documentation sufficient and up to date?
- Do you have written policy and procedures?
- Is your staff familiar with requirements?
- How appropriate is your H&S system?
- Is there robust scrutiny of incidents?

The Offer: A 2-hour Desktop audit of a Business's commitment to Health and Safety through viewing documentation produced, and verbal confirmation of, compliance by said Business. (Voucher expires 26/5/23)

Value: \$500 **Donated by Ken White, Accrue Ltd**
